## the preacher's point

*"Teacher, which command in the law is the greatest?" He said to him, "Love the Lord your God with all your heart, with all your soul, and with all your mind. This is the greatest and most important command. The second is like it: Love your neighbor as yourself. All the Law and the Prophets hang on these two commands. Matthew 22:26-40 CSB*

*Jesus came and said to them, "All authority has been given to me in heaven and on earth. Go therefore, and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe everything I have commanded you. And remember, I am with you always, to the end of the age. Matthew 28:18-20 CSB*

### Love God! Love Others! Live on Mission!

If you have been in worship or Bible study in this church the last several months, you have most likely heard the above expression. It is the outworking of what I believe God is calling this church to be in our community. I wanted to share the above scriptures because the heart of this threefold mandate for the church is rooted in those two passages. I believe these verses answer the questions "who are we?" and "what should we do?" in our community. Everything we do should fall into one of these three categories. In fact, the staff and I have begun evaluating our church's events and ministries to see whether they line up with this mission. My prayer is that our committees will do the same. So what do these three statements look like practically? Let's unpack them.

#### Loving God

This statement begins with our personal relationship with God through Christ. Jesus is the only way to the Father. The category encompasses our personal devotions, scripture memory, prayer, etc., as well as our corporate times of worship, pray-

er, and Bible intake that draw us closer to God.

#### Loving Others

This category includes our ministry to others. Fellowshiping and living life in context of community is a part of this umbrella as well. Love is the action that most clearly identifies us and sets us apart in this world. Therefore, we are committed to loving others.

#### Living on Mission

Here we demonstrate our obedience to the Great Commission. We are committed to evangelizing the lost and discipling the saved. Many people understand evangelism and discipleship as separate categories. This is not the case. They are opposite sides of the same coin. We must seek to win the lost, but we must also teach them to follow Christ once they are saved.

My prayer is that we become the embodiment of these ideals. May we forever be a church that "Loves God, Loves Others, and Lives on Mission!"

In Christ,  
**Pastor Clint**

### sunday, july 21, special guests with us!

*From Jayce DuBose our students minister:* My friends Wade and Amy have served in Central Asia for the last eight years. They work among the most lost peoples of the world. Together they are raising four children, Micah (11), Josiah (9), Titus (6), and Lydia (4), and they love being able to serve the Lord as a family. Wade and Amy have a heart to see those that have never had the

opportunity to hear, see and believe the good news of Jesus. Though life in Central Asia is challenging, they rejoice in what they are seeing the Lord do in making Himself famous in a dark land. They are looking forward to coming and speaking at our church and letting us take a look at what God is doing and how we can join with them in taking Christ to the nations. Wade will speak in the morning service on July 21. On Saturday, July 20, we will have a churchwide cookout so you may meet them..

## music's beat

*"My soul will sing of your unfailing love, my heart will bless Your Name... forever my life, will rest in Your grace, my soul will bless Your name."*

Throughout my time so far here at Fellowship, I have constantly been reminded of God's grace, provision, and work not only in my heart and life, but also in the lives of those within this church, and more specifically, the lives of those who participate in the Worship Ministry. The Lord has truly blessed this church with so many talented individuals, and I am thankful that they are serving in the ministry with servant's hearts and hearts of genuine worship to our King!

The worship ministry has open doors for anyone who is interested in joining! We are always looking for those who feel led to lead worship on Praise Team, in the Sanctuary Choir, Sanctuary Orchestra, and the Tech Team!

The next two months will bring great change, and growth to the Worship Ministry here at Fellowship Baptist Church. One of these exciting things is the renovation of the choir rehearsal room! We have been blessed by our Father and the members of this church to have the ability to reconstruct and make room for growth within our rehearsal room. In addition to this, the worship ministry has a few things being planned for this upcoming summer! A churchwide night of Praise and Worship is planned for June 9<sup>th</sup>, and a trip to Wild Adventures on June 29<sup>th</sup> to see Lauren Daigle live in concert! If you are interested in joining us for either of these events, please contact myself or Norma Jean Howard in the church office.

I would like to also take a moment and say "thank you" for your support as I join you in ministry, I am very excited for how God is going to use me during my time here, as well as the lessons, and experiences God will provide me over the coming days being with you!

*Praise the Lord!  
Praise God in his sanctuary;  
praise him in his mighty heavens!  
Praise him for his mighty deeds;  
praise him according to his excellent greatness!  
Praise him with trumpet sound;  
praise him with lute and harp!  
Praise him with tambourine and dance;  
praise him with strings and pipe!  
Praise him with sounding cymbals;  
praise him with loud clashing cymbals!  
Let everything that has breath praise the Lord!  
Praise the Lord!*

## ways to get involved

\*With summer comes vacations! And there will be times when a Sunday School teacher will be out. Have you thought about teaching a class but didn't want to do it full-time? How about serving as a **substitute teacher**? This gives the teacher well-deserved time off and it gives you the gift of sharing God's Word with others. Contact the Sunday School Director Jimmy Ethridge or email the church office at [serve@fellowshipbaptist.org](mailto:serve@fellowshipbaptist.org).

\*We have a great message to share with everyone—that God loves them so much! Our **sound and visual arts team** is an important part of getting that message out. You don't need any experience—we'll train you! Call the office at 562-2040 or email at [serve@fellowshipbaptist.org](mailto:serve@fellowshipbaptist.org) and let's get started!

## Happy Father's Day, Dads!

*For striving to be a godly man. For being there day in and day out. For being the standard for your son as he grows. For being the standard your daughter will use to measure other men. For all of this and more...thank you, Dad!*

## students ministry

Over the past month our students were called to consider the purpose of gathering with the church, worship, prayer, Bible reading, and various other spiritual disciplines. They have learned the goal is transformation through a relationship with God by way of Jesus. A vibrant walk with Jesus is a life that is turning from sin and following Christ. We have challenged them not only to read the Bible, but to have a conversation with God. When they read scripture it is as though God is sitting across the table speaking to them; then they have the opportunity to contribute to the relationship through prayer and worship.

Our students are ready for a break from school, but we certainly will not have a break from ministry. Students will have opportunities in the coming month for service, teaching and fun. June 1<sup>st</sup> will be Free to Serve where we will enter the community as the hands and feet of Jesus. June 12<sup>th</sup> youth will have a scavenger hunt called "Kidnap Gnomes." This would be a fun event to invite friends to youth for the first time. First-time visitors and the student who brought them will be treated to a candy bar and soda. The following Wednesday we will hear a salvation testimony from one of our church members. Then the week of June 24<sup>th</sup>-28<sup>th</sup> our students will serve at VBS. Students can sign up for these various events in the youth room.

A final meeting regarding Mission Fuge will be held **June 5<sup>th</sup> at 6:30** in the youth room for **parents and students**. Camp balance is due by June 14<sup>th</sup>. Contact Jayce DuBose through REMIND or email at [jdubose@fellowshipbaptist.org](mailto:jdubose@fellowshipbaptist.org) for further information.

Check the calendars at the sides for all that is happening with youth and the college/young professionals group this summer!

Following Jesus,  
**Jayce DuBose,**  
*Minister of Students*

### Wednesdays

5:30pm **Summer Blast**- see schedule ➡

Summertime is finally here!! We ended our Spring JAM session with a fantastic Family Night, including skits and worship from our youth. Thank you so much to everyone who contributed to JAM throughout the year. It is such a wonderful program where we have the opportunity to share the gospel with so many unchurched children. We look forward to starting back up in the fall. Until then we will have **Summer Blast** on Wednesday nights for our K-5th grade students. Here is the **Summer Blast** schedule:

June 5	Pool Party at the Livingstons/Dinner 5:30-8pm
June 12	Gnome Hunt/Dinner 5:30-8pm
June 19	RA/GA Camp
June 26	Vacation Bible School!
July 3	NO SERVICE
July 10	Dodgeball or Kickball /Dinner 5:30-7pm
July 17	CentriKid Camp!
July 24	Fast Food Progressive Dinner 5:30-8pm
July 31	Pool Party at the Burns/Dinner 5:30-8pm, leaving the church at 5:30
Aug 7, 14, 21, 28	Back to School Dive-In Bible Study/ Dinner 5:30-7pm

Our children cannot wait for CentriKid and RA and GA camps! We have been so appreciative of the support we have seen from our church family. Our car wash and cookie fundraisers were a huge success! Thank you all for bringing your dirty cars and hungry bellies so that we could have the opportunity to serve you! As we send our children to CentriKid and RA/GA camps, the youth group will be sending their kids to MissionFuge. Pastor Jayce and I are working to make sure the children have everything they need for camp. One thing that was evident last year was that these kids are on the move the entire time at camp and they get hungry! If you are able, please bring some snacks to the church office for us to take with us to camp. Anything packaged individually works! Chips, cookies, snack cakes, goldfish, juice boxes, Gatorade and water are all great options! Anything you can provide would be so appreciated.

**Vacation Bible School: ROAR!!!! Life is Wild, God is Good!** VBS is going to be such an adventure this year! Make sure you don't miss out on a stampede of fun **June 24-28** and for Family Day on June 30. VBS is for children ages 4-through 5th grade. Register now online at [fellowshipbaptist.org](http://fellowshipbaptist.org). Contact Angela Darsey, April Livingston or myself for more information on how you can join in on the fun!

My excitement for what God is doing in the lives of our children continues to grow. God keeps showing us ways to incorporate the gospel into our activities and into what we are doing at Wee Care. I have to give a shout-out to the Wee Care Afterschool/Summer Camp program Their dedication to daily devotionals and conversations about salvation continue to make me so proud. Over the last year we have had a least 4 decisions to follow Christ from our K-5h grade students and many of those children were those who come from unchurched families. We are doing God's work and we could not do it without your prayers and support! Thank you so much!

*Katie Jones , Wee Care/Children's Director*

## missions news

The recent training event for the Florida Baptist Disaster Relief (FBDR) was attended by 340+ people. The State Director, Delton Beall, shared that his own home in Panama City was greatly damaged by Hurricane Michael and his family was still not back in it. He and many others were now on the receiving end of a disaster.

The most recent numbers were shared of how much work was done in the Panhandle by FBDR:

- A total of 6 different command sites were set up to work from
- 1340 volunteers were counted
- 807,532 meals were served
- Over 800 professions of faith
- 2,560 job requests were recorded—of those, 1708 were by FBDR
- 10,723 volunteer hours
- 35 different state Baptist conventions were involved including Alaska, Hawaii, New Mexico, and Puerto Rico

Panama City and much of the panhandle are still hurting and will be recovering for a long time. Be in prayer for our Florida neighbors and opportunities to support them through giving or going.

Since 1918, GuideStone Financial Resources has been on a "Mission" to provide "Dignity" to retired Southern Baptist ministers, workers and their widows. These are men and women who have faithfully served God's people and now find themselves struggling to meet even basic needs. Many served small, rural churches that paid only modest salaries and couldn't afford to contribute to their pastors' retirement. Often, they had to work extra jobs just to make ends meet.

Mission:Dignity currently helps almost 1,800 people with extra money needed for housing, food and vital medications. It has also ensured a well-deserved dignity, independence and, often, the ability to continue serving. The funding for this comes from people like you

All gifts to Mission:Dignity go to help those in need with nothing taken out for administrative expenses and are tax-deductible. Mail gifts to:

**A BIG Thank You** to all who participated in the Farm Share event at Fellowship on April 27. Cars were lined up at 6:30am to receive food. We registered 250 families who came through.

It was a great time of fellowship within our church family and a blessing to serve others through this ministry.

Thanks again for your support.

## money matters

When you think of stewardship, what comes to mind?

The first assignment God gave the human race is found in Genesis 1:28. That's when God told Adam and Eve to "have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth." Stewardship is managing God's blessings God's ways for God's glory.

See, the Bible tells us in Psalm 24:1 that He owns it all: "The earth is the Lord's, and everything in it, the world, and all who live in it." And if He's the owner, that means we're not. Instead, we're His stewards—His managers. God commands us to be stewards over everything He blesses us with. *Everything*. That means our time, talents, treasure, relationships, jobs and, yes, stuff. It's all God's, and He trusts us with it. We get to manage all of the Creator's stuff. How awesome is that?

It's both an honor and a serious responsibility! When we get that in our spirit, well, it changes things. It changes our perspective on our family budgets, our daily decisions, even our purpose in life. When we understand true, biblical stewardship, the trajectories of our lives change with every decision we make.

We begin to build a legacy of stewardship in our families. We treat our spouses and kids differently. We approach our work with a new sense of purpose. We become grateful for everything we have. We live within our means. We have more money to give.

And we have hope for the future.

## men's ministry

### men, be encouraged at ironworkers

Men, Ironworkers is a good way to connect regularly with other men. They share dinner and life. Ironworkers usually meet in the Fellowship Hall on the third Monday of each month at 6:30pm. Cost is \$4 for church members; free for guests and visitors. Join them on **June 17** and **July 15**.

They also have work days which are scheduled far enough ahead so you can get them on your calendar. Ironworkers is temporarily taking over the **lawn care** of the church. They would love to have more volunteers to help with this or other projects.

For more information, contact Wayne Langston at 850-566-6840, by email at langstow@comcast.net, or call the church office.

## women's ministry

Even though we don't have a women's ministry sponsored Food Drive scheduled for a while, we hope you remember **Fellowship's Food Pantry** when you shop.

The Pantry is a blessing to those who are in need of food and is stocked through donations by the church family. Those in need are often the working poor or those who have lost their jobs, or who are dealing with health issues. We provide canned and dried food items, some toiletries, and cleaning products. You may leave your donations in the baskets in the worship center or in the church office.

The Pantry really does make a difference to those in our community who find themselves in stressful times. Thanks for your thoughtfulness.

## remember these

**Evan Stargel** (grandson of Ralph and Hedy Donaldson) Middle East-Navy.

Pray for all **military personnel**. They appreciate and experience the effect of our prayers.

Pray for **those who are returning** as they adjust to being home and to civilian life. Pray for healing of unseen wounds, and for their families as they walk with them.

Pray for our **government leaders** for wisdom, safety, and balanced judgment. That we as Americans would conduct ourselves above reproach. For we as a nation to be on our knees before God.

A long time ago, two young men were seeking to bring new and exciting things to an old country church. One agreed to lead the music, the other to handle the difficult task of preaching to the flock. In the beginning, the congregation was thrilled with what was going on—great music, super teaching from the Word of God brought through young minds. A day came that the young man who was to bring the morning message was unable to be there. So he asked his good friend to bring the music and message in his absence. With excitement the other young man agreed.

He studied and studied and prayed hard for the message to bring to the flock. That Sunday morning as the people arrived, each one was given a piece of paper with instructions to follow as the morning went on. During the middle of the song service, they were told to write a date in the future on the piece of paper and fold it in half and hang on to it.

Once the morning prayer was over, the excited man of God rose to the podium to bring the message that God had laid on his heart. Scripture was read, prayer done. He told the congregation to take out the paper, open it, and read it—the date on the paper was the date of their death. With this being said, he asked the group how would they use the knowledge that this would be the date that they would see Jesus (if they knew Him as their Lord and Savior)? Would they use it to bring more nonbelievers to the knowledge of Christ or curl up in a ball and wait for the day?

How would you react to this? Would you be the person that God hopes you to be and strive each day that you have left to tell others about God and the wonders he can bring?

Sunday School is a great place that you can invite people into a relaxed, fun, and loving environment and study the Word of God. There should not be a Sunday that each class does not have a visitor.

Remember a visitor is like a young growing plant....they need water (the word), sunshine (your fellowship with them), and fertilizer (the strength from our loving God). Remember to reach out today and invite someone to Sunday School and Church. Love God, love others, and live on mission.
